

Kapelica Gallery / Kersnikova Institute

Activities

Exhibitions

Saša Spačal, Slavko Glamočanin: **Syncess**
Kapelica Gallery, Ljubljana
12.01. – 05.02.2016

Earth Without Humans I

Gilberto Esparza: **Autophotosynthetic Plants**
Vžigalica Gallery, Ljubljana
16.05. – 18.06.2016

Adam W. Brown: **ReBioGeneSys – Origins of Life**

Kapelica Gallery, Ljubljana
09.06. – 15.07.2016

Andy Gracie: **Drosophila Titanus**
Rampa Lab, Ljubljana
09.06. – 15.07.2016

Aljoša Abrahamsberg: **The Game has Begun in Secret**

Sonoretum, Ljubljana
09.06. – 15.07.2016

Nelo Akamatsu: **Chijikinkutsu**

Kapelica Gallery, Ljubljana
01.09. – 29.09.2016

Ralf Baecker: **Interface I**

Kresija Gallery, Ljubljana
22.03. – 16.04.2017

Earth Without Humans II

Danny Bazo, Marko Peljhan, Karl Yerkes:

Somnium

Kapelica Gallery, Ljubljana
08.06. – 30.06.2017

Katarina Petrović: **Cosmologicus**

Rampa Lab, Ljubljana
08.06. – 30.06.2017

Brane Zorman: **ElektroMagnetikSpektrum**

Sonoretum, Ljubljana
08.06. – 30.06.2017

Green Wall: Plant—Machine Cohabitation

BioTehna, Ljubljana
08.06. – 30.06.2017

Workshops

(BioTehna, Ljubljana)

Earth Without Humans I

Kristijan Tkalec: **The Beginning of Life on Earth**
10.06.2016

Angelo Vermeulen: **Vertical Farming: Building a Multispecies Biological Life Support System**

11.06. – 12.6.2016

Earth Without Humans II

Björn Huwe: **Cultivating Extremophile in the Lab**
07.06. – 08.06.2017

Saša Spačal, Mirjan Švagelj: **Soil Tasting**
13.06.2017

Kristijan Tkalec: **Mars Exploratory**
03.06. – 17.06.2017

Symposium

(Kapelica Gallery, Ljubljana)

Earth Without Humans I, 10.06.2016

Michael Sterzik/European Southern Observatory (ESO): **The Quest for a Second Earth**

Adam W. Brown: **ReBioGeneSys and the Origins of Life**

Andy Gracie: **Terrestrial Post-Terrestrialism: Beyond Post-Nature**

Bernard Foing/European Space Agency (ESA): **Moon Village**

Olga Kutepova/Roskozmos: **Biological Units of Life Support Systems for Space Stations**

Earth Without Humans I I, 09.06.2017

Christophe Lasseur /European Space Agency (ESA): **Man on Mars, the Perfect Example of Circular Economy**

Björn Huwe/University of Potsdam:

BIOMEX – BIOlogy and Mars EXperiment

Benjamin Pothier: **The Driest Desert on Earth: Extreme Arts and Astronaut Analog Trainings**

Barbara Imhof/Liquifer Systems Group: **Getting There. Being There. Staying There. Mars.**

Marko Peljhan/Projekt Atol, UCSB: **Transhumanist Projections**

Jon Jenkins/NASA: **Chasing Exoplanets**
